MEMORANDUM FOR HEADS OF DEPARTMENTS AND INDEPENDENT AGENCIES

FROM: CONSTANCE HORNER
DIRECTOR

A handwritten signature in cursive script, reading "Constance Horner", is written over the typed name and title.

SUBJECT: CONGRESSIONAL ACTION ON DEBT CEILING

The timing of the Congressional deliberations relative to the debt ceiling has raised in some minds the possibility that Federal employees will face imminent furloughs from work. I understand that some of the Washington news media have carried stories to this effect. This memo is to assure you that unless officially notified to the contrary federal employees are expected to be in attendance at their workplaces in a normal fashion. I will be providing this same information to the news media.
